**REPORT NARRATIVE****SYNOPSIS:**

On 12/19/14, I contacted Robert Raymond Smith (DOB (b)(5)(A)) in the parking lot of the CVS located at 635 South Melrose Drive in the City of Vista, County of San Diego. Smith was sitting in the driver seat of a black Ford Taurus, bearing California License Plate (b)(5)(B). The vehicle was parked in the first two stalls on the east side of the building, taking up both parking spaces. When I contacted Smith he was slumped over the steering wheel and incoherent. His eyes were bloodshot and his pupils were constricted and extremely dilated. I observed Smith's appearance was dirty, disheveled, and unkempt. He mumbled incoherent words and was unable to answer basic questions. Smith was unable to follow basic instructions and they had to be repeated several times for him to comply. Based on my interaction with Smith, he displayed several objective signs and symptoms of being under the influence of a controlled substance.

I believed Smith was under the influence of a controlled substance. I planned on placing him in handcuffs to detain him. Before I was able to detain Smith in handcuffs, he fled on foot. A short foot pursuit ensued until I deployed my department issued X2 Taser to effectively detain and take Smith into custody. As a

result of the Taser being deployed Smith suffered a head injury and was transported by Life Flight Ambulance to Scripps La Jolla Medical Center for further evaluation and treatment. Before being transported a search of Smith's person revealed he was in possession of several small separately packaged bindles of a black tar like substance with vinegar like smell. Based on my training and experience I recognized the black tar like substance as Heroin. Also, located on Smith's person was a capped unloaded hypodermic syringe needle, four tablets that were later identified as Diazepam, and \$ 490 dollars in cash. A search of Smith's vehicle revealed a large plastic bindle of what appeared to be a black tar like substance in the shape of a ball. The substance had vinegar like smell and I recognized as Heroin. It had a NET weight of 4.59 Grams.

Based on the large amount of Heroin that was in Smith's possession along with the small separately packaged bindles and the amount of cash on his person, I believed that Smith was not only using Heroin but also distributing it for sale.

Smith was placed under arrest for the following charges; 11351 - HS - POSSESS/PURCHASE FOR SALE NARCOTIC/CONTROLLED SUBSTANCE (F), 11350 (A) - HS - POSS NARCOTIC CONTROLLED SUBS (F), 69 - PC - OBSTRUCT/RESIST EXECUTIVE OFFICER WITH MINOR INJURY (F), and 12022.1 - PC - COMMIT FEL ON BAIL OR O/R RELEASE (BAIL+). Smith was admitted to Scripps La Jolla Medical Center for further evaluation and medical treatment and not booked into Vista Detention Facility. Smith did sign any Medical Release Form due to him being incapacitated while at Scripps La Jolla Medical Center.

### ORIGIN:

On 12/19/14 at about 1246 hours I was dispatched to a radio call of a person down located in the CVS parking lot at 635 South Melrose Drive in the City of Vista, County of San Diego. (CAD E#2180464) The reporting party stated a black Ford 4-door bearing California license plate (b)(5)(B) was parked in the CVS parking lot with a male passed out in the driver's seat. The reporting party stated the vehicle was located in the first stall to the right of the main doors.

### BACKGROUND:

None.

### INVESTIGATION:

When I arrived on scene I observed a black Ford Taurus 4-door bearing California (b)(5)(B) parked straddling the parking stall line. The vehicle was parked in the first two stalls on the east side of the building, taking up both parking spaces. I pulled behind the vehicle and parked my patrol vehicle. I was dressed in full department approved uniform and driving a marked black and white patrol vehicle.

Before approaching the vehicle I confirmed with Sheriff Dispatch that this was the correct license plate given by the reporting party. Once Sheriff Dispatch had confirmed that the license plate was California (b)(5)(B), I began to approach the driver side door of the vehicle.

Once I had approached the driver side door of the vehicle I observed a white male in the driver seat. The male was later identified as Robert Raymond Smith (DOB (b)(5)(A)). Smith was slumped over the center console. The window on the driver side of the vehicle was rolled down. From where I was standing, near the driver side door of the vehicle I could see that the vehicle was in park and was turned off. The keys were still in the ignition. I could hear Smith breathing heavily, and see the rise and fall of his chest.

Before I attempted to wake Smith up my attention was drawn to his appearance. I observed there were several small injection puncture marks on the inside of Smith's forearm. Smith also had several large open scabs and sores on his left and right arm. Based on my training and experience people who commonly use illicit drugs such as Heroin, will use syringe needles to intravenously inject heroin into the body.

After making this observation I tapped on the driver side door to wake Smith up. I had to tap on the driver side door several times in an attempt to get Smith to wake up. When Smith finally woke up, he jumped up and appeared to be startled. When I identified myself as Deputy Sheriff and asked if he was "Ok" Smith just looked at me with an incoherent stare. I noticed that Smith's pupils were extremely dilated and bloodshot. His clothes were dirty, disheveled, and his appearance was unkempt. When I asked Smith what was he doing and if he required any medical attention he just mumbled something that I was unable to understand. As I continued talking with Smith I noticed he kept looking around in his vehicle for something. Based on Smith's actions and my observations he displayed several objective signs and symptoms of being under the influence of a controlled substance. I also had reasonable suspicion to believe that Smith was under the influence of a controlled substance and I decided to detain him.

I told Smith to exit the vehicle. Before exiting the vehicle Smith continued to look around the inside of the vehicle. I continued to give Smith verbal commands to exit the vehicle before he finally complied with my commands. When Smith exited the vehicle he staggered from the driver side and stumbled towards me. I stepped back and told Smith to sit on the curb directly in front of the vehicle. I told Smith to cross his legs at the ankles. I had to repeat myself several times before he finally complied. Smith continued to look around with a confused look and kept mumbling incoherent words.

I had Smith sit down at a possession of disadvantage because this is something that I routinely do as a precaution for my safety when I have an individual detained. This is also something I learned during my training in the San Diego Regional Academy. By having Smith detained and seated on the curb, this would allow me to have a better advantage if he was to assault me or possibly flee on foot.

Based on my prior contacts with individuals who are under the influence of controlled substances and my training and experience, these individuals have been in possession of dangerous weapons and other illicit drugs. A previous encounter I had with an individual who was under the influence of a controlled

substance, that individual ran from me on foot. Later, when that individual was detained he was found to be in possession of a small caliber handgun. I also had not yet patted Smith down for weapons and did not know if there were any weapons located inside Smith's vehicle or on his person that would be readily available for him to gain access to during my contact with him.

While Smith was sitting on the curb, Vista Fire Department arrived on scene. Prior to contacting Smith I was notified by Sheriff Dispatch that Vista Fire Department would be dispatched to the call based on the statements from the reporting party. One of the paramedics approached me while Smith was sitting on the curb. Again, I asked Smith was he hurt or injured and if he required medical treatment. Smith continued to stare at me and answered, "Where is my phone?" Based on Smith's actions and my observations he displayed several objective signs and symptoms of being under the influence of a controlled substance. I advised the paramedic who was standing near Smith and myself, that Smith would not require any medical treatment.

Smith continued to mumble incoherent words, he was looking around as though he was confused, and was unable to follow simple directions. Based on Smith's bizarre behavior I decided to handcuff Smith because he continued to mumble incoherent words. Smith was constantly looking around as though he was confused. Based on my training and experience individuals that are under the influence of a controlled substance will often look around in an effort to plan an escape route to flee on foot. I knew that my cover unit was also coming from a long distance. I also knew that there were no other units nearby in the area due to a major accident that had occurred on the SR-15 south near Old Highway 395 and other Deputies were assisting with that call. Fearing that Smith would either attempt to flee or assault me I believed it was necessary to place Smith in handcuffs until my cover unit arrived on scene.

As I began to walk behind Smith to place handcuffs on him he jumped up from the curb and fled on foot north bound in the CVS parking lot towards the Commerce Bank. I immediately notified Sheriff Dispatch over the radio that I was in a foot pursuit. A short foot pursuit ensued as I chased after Smith. Smith began running towards a small embankment that leads 3-4 feet down to the driveway of the shopping center. As Smith continued to run I un-holstered my department issued X2 TASER (Serial #X30006Y8) and pointed the two red dots at his back.

When I deployed my TASER, Smith was simultaneously attempting to jump over the bushes near the embankment. I had already deployed my TASER by the time I had realized that Smith was jumping over the embankment that lead to the entrance and exit of the shopping center. It was not until the TASER probes had already made contact with Smith's back that I realized there was concrete where the embankment ended. The probes from my TASER made contact with Smith's right shoulder and right lower back. The probes in the TASER were deployed for 5 seconds. I did not pull the trigger again after the first set of probes had been deployed. Once the probes made contact with Smith he immediately went down to the ground and was unresponsive.

I gave Smith loud verbal commands to get on his stomach because he had landed on his left side. I communicated over the radio to Sheriff Dispatch that I needed Emergency Traffic and that I had

deployed my TASER. While Smith was on the ground I verbally told him to "Get on his stomach." Several members from the Vista Fire Department began to assist with treating and evaluating Smith.

While Smith was on the ground he was unconscious. When Smith began to regain consciousness while the paramedics began to remove the TASER probes from his back, Smith sat up and began yelling. I stood by with my TASER pointed at Smith because he was not handcuffed and I was concerned he would attempt to assault the medics who were working on him.

Based on my interaction with Smith and the observations I had made while interacting with him earlier, I believed he was under the influence of a controlled substance. Based on my training and experience I know often when individuals are under the influence of a controlled substance that they are capable of committing felonious crimes and can be a danger to the public as well as other Deputies.

I also have been trained on the high-risks that are involved with pursuing suspects on foot and the danger it possess to both Deputies and the public. However, the limited time I was in contact with Smith and had determined he was under the influence of a controlled substance, I knew I had reasonable suspicion to detain him. I also had to consider all of the factors involved. Smith was in a public parking lot, seated in the driver seat of a vehicle that was parked with the keys in the ignition. Smith had the opportunity to drive away impaired and this would have placed other drivers as well as pedestrians in the parking lot in danger. This would create an even more critical and serious situation.

I also knew that Breeze Hill Elementary School located at 1111 Melrose Way is less than a block away from the CVS parking lot. There is also Breeze Hill Park located at 699 South Melrose Drive. I feared that Smith could possible run towards either of these two public locations, creating more of a dangerous situation to the public. I believe all of the precautions were taken into consideration when determining how to detain and take Smith into custody without placing myself, the public or my partners in any unforeseen danger.

At 1304 hours Smith was placed under arrest but was not placed in handcuffs due to his incapacitated state while he was receiving medical treatment. When Deputy Moyette (7136) arrived on scene he assisted the Paramedics with tending to Smith while he was on the ground. Deputy Moyette also conducted a search incident to arrest of Smith's person. Deputy Moyette notified me that he had located a small sandwich type bag that contained several smaller bindles, an unloaded Hypodermic syringe needle, several small blue pills, and a large amount of cash. Deputy Moyette collected all of the items and turned them over to me. Please see Deputy Moyette's Deputy Report for further details.

Deputy Storms (6757), Deputy Ellision (2520), and Deputy Allen (2126) all arrived on scene shortly after to assist with the scene. Please see their Deputy Reports for further details.

Deputy Storm advised me that while searching Smith's vehicle she located his identification in the form of a Jail Booking Release form. She also advised that she saw a plastic bindle of what appeared to be a brown substance in the shape of a ball. It was sitting on the center console. I took a picture of the Jail

Booking Release form that was used to identify Smith. I also took a picture of where Deputy Storms located the brown substance inside the vehicle. Based on my training and experience I recognized the brown tar like substance that had vinegar like smell as Heroin. I collected all of the items found both on Smith's person and inside his vehicle as evidence.

Smith was transported by Paramedic (b)(5)(B) at 1305 hours to Palomar Medical Center. At 1315 hours the transporting Paramedic (b)(5)(B) was diverted to Tri-City Medical Center and was notified that Smith would be airlifted to Scripps La Jolla Medical Center to receive further medical treatment and evaluation. Deputy Moyette took photographs of Smith's physical condition at the scene, prior to him being transported for medical treatment.

I took an overall picture of how Smith's vehicle was parked in both stalls with his license plate and also the inside of the vehicle. I also took several pictures of Smith's Jail Booking Release Form and the DS-367 form which stated that Smith's Driver License was suspended/revoked (b)(5)(B). Smith's vehicle was towed by Rancho Del Oro Towing per 14602.6(a) CVC since Smith was in possession of a Suspension/Revocation Order and Temporary Driver License (DS 367) dated 09-30-14.

At 1319 hours I advised Sergeant Lopez that I would meet with him at Scripps La Jolla Medical Center for a debrief about the incident. At 1426 hours, I arrived at Scripps La Jolla Medical Center. I spoke with Sergeant Lopez about the incident and gave him a brief statement about the incident. I also advised him that I was experiencing a sharp pain in my left knee from chasing after Smith.

I later returned to the Vista Patrol Station where I processed the evidence that I had collected at the scene. I took an overall photograph of all of the items that were located on Smith's person and inside his vehicle. I unpackaged the several small separately packaged bindles and noticed there was also a small blue zip lock baggie that contained a small amount of white crystalized substance. Based on my training and experience I recognized the white crystalized substance as Methamphetamines/Amphetamines.

Using a Marquis Reagent Kit I tested a small amount of the white crystalized substance that was inside the small blue zip lock baggie. The test came back with a presumptive positive reaction for Methamphetamines. I took a picture of both the test result and the white crystalized substance. To weight the small amount I used the Pioneer digital scale located at the Vista Patrol Station. I first weighed the white boat that had a NET Weight of 3.59 Grams without the white crystalized substance in it. With the white crystalized substance in it the NET Weight was 3.61 Grams, which is how I was able to determine that there was a NET of .02 Grams of Amphetamine/Methamphetamine in the small blue baggie.

After I weighed each of the four small separately packaged bindles of black tar like substance that based on my training and experience I recognized as Heroin. I took several pictures of the bindles before weighing them. Using a Marquis Reagent Kit I tested a small amount the Heroin which had a presumptive positive test for Heroin. I took a picture of both the test and the Heroin. I used the Pioneer digital scale located at the Vista Patrol Station. I first weighed the Heroin with the packaged bindle and took and picture. Then I weighed the Heroin by itself without the packaging to determine the NET weight

of each bindle. I did this same process for each bindle of Heroin. Bindle #1 contained .43 Net Grams of Heroin, bindle #2 .46 Net Grams of Heroin, bindle #3 .19 Net Grams of Heroin, and bindle #4 .21 Net Grams Heroin.

I used the website Drugs.com to identify the four blue pills that were located on Smith's person. The pills had the word "TEVA" on one side and on the other the numbers 3927. The pills were identified as Diazepam 10 mg and used for prescription use only. I took several pictures of the pills.

I placed all photographs taken on a compact disc and placed it into evidence. All evidence was later placed into a locker at the Vista Patrol Station. Smith was admitted to Scripps La Jolla Medical Center for further evaluation and medical treatment and not booked into Vista Detention Facility. Smith did sign any Medical Release Form due to him being incapacitated while at Scripps La Jolla Medical Center. This concluded any further investigation.

## REPORT NARRATIVE

### SYNOPSIS:

On 12/19/14, Deputy Groves contacted Robert Raymond Smith (DOB (b)(5)(A)) in the parking lot of the CVS located at 635 South Melrose Drive in the City of Vista, County of San Diego. Smith was sitting in the driver seat of a black Ford Taurus, bearing California License Plate (b)(5)(B). The vehicle was parked in the first two stalls on the east side of the building, taking up both parking spaces. When she contacted Smith he was slumped over the steering wheel and incoherent. His eyes were bloodshot and his pupils were constricted and extremely dilated. She observed Smith's appearance was dirty, disheveled, and unkempt. He mumbled incoherent words and was unable to answer basic questions. Smith was unable to follow basic instructions and they had to be repeated several times for him to comply. Based on her interaction with Smith, Deputy Groves noticed he displayed several objective signs and symptoms of being under the influence of a controlled substance.

Deputy Groves believed Smith was under the influence of a controlled substance. She planned on placing him in handcuffs to detain him. Before she was able to detain Smith in handcuffs, he fled on foot. A short foot pursuit ensued until she deployed her department issued X2 Taser to effectively detain and take Smith into custody. As a result of the Taser being deployed Smith suffered a head injury and was transported by Life Flight Ambulance to Scripps La Jolla Medical Center for further evaluation and treatment. Before being transported a search of Smith's person revealed he was in possession of several small separately packaged bindles of a black tar like substance with vinegar like smell. Based on her training and experience she recognized the black tar like substance as Heroin. Also, located on Smith's person was a capped unloaded hypodermic syringe needle, four tablets that were later identified as Diazepam, and \$ 490 dollars in cash. A search of Smith's vehicle revealed a large plastic bindle of what appeared to be a black tar like substance in the shape of a ball. The substance had vinegar like smell and she recognized it as Heroin. It had a NET weight of 4.59 Grams.

Based on the large amount of Heroin that was in Smith's possession along with the small separately packaged bindles and the amount of cash on his person, Deputy Groves believed that Smith was not only using Heroin but also distributing it for sale.

## FOLLOW UP INVESTIGATION:

On 12/19/14, at 1500 hours, I received a call from 30PSA SGT Lopez #2641 about being able to assist with the above mentioned case. SGT Lopez advised me he was at Scripps La Jolla Hospital with Robert Smith. SGT Lopez advised me Smith had sustained a serious head injury as a result of falling on the concrete after being tazered. SGT Lopez requested we assist in documenting the scene and collecting any possible video.

Detectives McConnaughey #4737, Bailey-Sease #2187 and I drove to 635 S. Melrose Drive in order to photograph and document the scene. When we arrived on scene, I had Deputies Ellison #2520 and Allen #2126 meet with us to show us the exact scene where this incident occurred. Deputy Allen arrived on scene and showed us where the vehicle had been parked when Deputy Groves first contacted Smith. He was also able to show us where Smith fell after he was hit with the tazer. Deputy Allen advised there had been three firemen from the Vista Fire Department present when Deputy Groves chased after Smith and saw her deploy her Taser. I requested Detective Bailey-Sease go interview the three firemen who were present while Detective McConnaughey and I conducted a witness check of all surrounding businesses.

Detective McConnaughey and I walked around the parking lot from where Smith had parked his vehicle all the way to where he landed. We located an expended Taser cartridge in the brush on the top parking lot where Smith would have initiated his jump. In the roadway where Smith landed, we located one of the Taser prongs that had been removed by the Fire Department from Smith. I had Detective McConnaughey take digital photographs of the parking lot and where we located the cartridge and prong.

After we finished photographing and collecting the items we located, we went into the CVS Pharmacy where I spoke with (b)(5)(B) the on-duty manager. (b)(5)(D)

I took the following statement.

STATEMENT OF: (b)(5)(B) (OTHER)

(b)(5)(B) stated he was working inside of the CVS and kept getting complaints from customers about a white male sitting in his vehicle passed out in the parking lot. (b)(5)(B) stated he walked outside and saw the white male, later identified as Smith, passed out in a black Ford Taurus. (b)(5)(D)

He stated he did not go back outside (b)(5)(D). He stated he did not see what happened when the Deputy and Fire Department arrived. (b)(5)(B) was able to provide me with the security footage from the security system in and outside the store.

The footage copied onto a disc for me by (b)(5)(B) was from the camera at the main entrance and one of the cameras that covers the main entrance from the outside. The security footage does not show Deputy Groves contacting Smith or where Smith is parked, it just shows as he runs across the front of the store

being followed by Deputy Groves. I later placed the disc into evidence at the Vista Sheriff's Station. Detective McConnaughey and I contacted the other businesses in the shopping complex but none had security footage of the incident or information on any possible witnesses.

I returned to the station and copied all the photos taken by Detective McConnaughey onto a disc for evidence and the URL for this report. I also placed the expended Taser cartridge and prong into evidence.

On 12/23/14, at 1200 hours, I was advised by SGT Ness that I needed to go to Scripps La Jolla Hospital in order to have Robert Smith sign a medical release form and a certificate of release. At 1256 hours, Deputy Weston #7558 and I drove to Scripps La Jolla Hospital in order to have Smith sign a Medical Release Form and provide him with a copy of the Sheriff's SO-23 certificate of release form per 849(b)(1) PC. Smith was in the Surgery Intensive Care Unit (SICU) room #2. I introduced us to him and explained why we were there. Smith had numerous intravenous tubes going into his arms and neck area. I recorded our conversation using my department issued digital recorder. I later copied the recording onto a disc for evidence and the URL for this report.

I advised Smith I needed him to sign a medical release form and that I was going to provide him with the certificate of release form. I advised him the certificate of release form was because the Sheriff's Department was choosing not to file charges against him at this time. Smith talked to us and made the following spontaneous statement.

## STATEMENT OF: Robert Smith (SUSPECT)

Smith said, "As bad as this all was, I'm actually really grateful because it was so hard for me to actually quit using. My child's mother told me, this is it, if you ever put us through something like this I'll leave with your kid and you'll never see her again." Smith stated since he's been in the hospital he's missed his daughter so much and he's really grateful.

Smith stated his father kicked him out because of his drug use and he was currently staying with a friend. Smith asked me, "You said I'm not being charged!" I explained to him that at this point and time, he was not being charged but there was a chance he would be charged later. I explained to him that he had a large amount of drugs on him. He said, "I did?" I advised him the Deputy that had contacted him would be sitting down with the District Attorney to determine what charges they were going to place on him. I advised him they couldn't just let him go, that it would be determined later. He stated he's done with drugs this time. He stated he has a place in Los Angeles he could move to with his family.

I advised him the choice was his and that no one could make it for him. I asked if he had any questions for me. He did not.

## REPORT NARRATIVE

### FOLLOW UP:

On 12-19-14 at about 1430 hours, I arrived at Scripps La Jolla Medical Center and met with Deputy B. Groves. Groves told me she was feeling pain in her left knee sustained during the incident. I took two photos of her left knee. I went into the emergency room and took several photos of the suspect, Robert Smith, as he was laying on a bed. Smith was intubated at the time and was not awake. I later downloaded the photos onto a DVD and placed the disc into evidence.

**REPORT NARRATIVE****FOLLOW UP INVESTIGATION:**

On 01/14/15 at 1500 hours, I called Scripps La Jolla medical records in order to inquire about Robert Smith's medical records. I was informed that they could not find the medical release form Smith had signed when I visited him at the hospital and requested I fax over another copy. At 1557 hours, I faxed over a copy of the medical records release form signed by Smith to fax # **(b)(5)(A)**.

**REPORT NARRATIVE**

On 12/19/2014, at 1509 hours, I responded to CVS Pharmacy, located at 635 S. Melrose Drive to assist with a crime scene investigation regarding a Taser deployment. Upon my arrival, Detective Barrios and McConnaughey were already on scene.

While talking with Detectives Barrios and McConnaughey, I learned a Vista Fire Engine was on scene during Deputy Groves' Taser deployment. Detective Barrios requested that I locate the firefighters and get their statements.

On 12/19/2014, I drove to Vista Fire Station (b)(5)(B) located at (b)(5)(B) Melrose Drive, Vista. I met with Captain (b)(5)(B). I asked (b)(5)(B) if Engine # (b)(5)(B) responded to the CVS Pharmacy near Breeze Hill and S. Melrose Dr. (b)(5)(B) told me he and his crew (Engine (b)(5)(B) and Firefighter Paramedic (b)(5)(B)) were dispatched to 635 S. Melrose for a person down call. (b)(5)(B) said he and members of Engine # (b)(5)(B) were also on scene during the deployment of the Taser. (b)(5)(B) gave the following statement:

**STATEMENT OF** (b)(5)(B)

Upon (b)(5)(B) arrival on scene, he noticed the female Deputy was looking inside a vehicle and a male was on the curb on the side of the car. The Deputy was also telling the ambulance they could cancel.

A short time later, (b)(5)(B) realized the male had taken off running north bound from CVS pharmacy. The Deputy yelled for the male to come back and she took off running after him. Once the Deputy got near the edge of the parking spaces, and the male was near the median close to the bushes, the Deputy pulled out her Taser and deployed. The male jumped and dove and there was about a two foot drop underneath him.

(b)(5)(B) and his engine drove around the building to position themselves. It left them without view of the Deputy or the suspect for a short time. Once the Engine had circled the building, they used it to block the entrance and exit from Melrose. (b)(5)(B) said The Ambulance also circled around and parked. Upon (b)(5)(B) contact with the suspect, he noticed the male sustained a bump to the back of the head, and an abrasion on the shoulder blade. (b)(5)(B) said the Taser probes made contact on the male's lower and upper back.

**INVESTIGATION:**

I next contacted (b)(5)(B) (b)(5)(B) said he was also on scene and witnessed the Taser Deployment. (b)(5)(B) gave the following statement:

**STATEMENT OF** (b)(5)(B):

On 12/19/2014, Engine # (b)(5)(B) pulled up in front of CVS Pharmacy, located at 635 S. Melrose Drive. (b)(5)(B) saw the Ambulance and the Deputy. (b)(5)(B) did not see the male until he started running. (b)(5)(B) said the male was about 10-15 feet ahead of the Deputy. (b)(5)(B) stated the male was near the median prior to the jump. The Deputy deployed the Taser and the probes caught the male in air which caused him to go "limp".

Engine (b)(5)(B) then drove around the building and parked next to the suspect in the street. (b)(5)(B) said the Deputy waved the Engine and the Medics into the scene. Upon (b)(5)(B) contact with the suspect, (b)(5)(B) noticed the suspect had a lump on the back of the head, and a Taser probe on the upper and lower back. (b)(5)(B) removed the probe from the suspect's upper back and left the lower probe in place.

**INVESTIGATION:**

I attempted to make contact with (b)(5)(B) but he was not available.  
On 12/24/2014, I contacted (b)(5)(B) via phone. (b)(5)(B) said he was the driver and did not witness the incident.

**REPORT NARRATIVE****Origin:**

On 12-19-14 at about 1251 hours, I was at the US Bank at 640 Hacienda Drive, Vista. I heard Deputy Groves broadcast 11-51 on one. I responded to assist Deputy Groves #0059 at the CVS Pharmacy, located at 635 South Melrose Drive in the City of Vista.

**Investigation:**

On 12-19-14 at about 1253 hours, I heard Deputy Groves broadcast foot pursuit. I heard Sheriff's dispatch broadcast the emergency traffic tone. I heard Deputy Storms stated she was enroute code-3. Deputy Allen and I responded to CVS at 635 S. Melrose Drive. I heard other units responding on the radio. Deputy Groves asked for the air and stated tazer deployed. Deputy Groves broadcasted continue one unit code and other units reduce. I heard an unknown deputy go 10-97. Deputy Allen and I arrived on scene at 1255 hours.

I saw a Vista Fire Engine facing westbound blocking the driveway entrance to the shopping center between CVS and the bank. There was a white male (Robert Smith) lying supine with his head facing northbound. There was a paramedic or fireman kneeling and holding Smith's head to stabilize it. There was an Oceanside Ambulance parked facing eastbound in the driveway to the west of the fire engine. I saw Deputy Groves standing in the CVS parking which is elevated about 4 feet from where Smith was lying. Deputy Groves asked me to complete a tow form on the suspect's vehicle. Deputy Groves pointed to the black Ford Taurus.

I completed a tow form for Deputy Groves while Deputy Storms conducted a search of the vehicle. The vehicle was towed by Rancho Del Oro Towing per 14602.6(a) CVC since Smith had a DMV DS-367 dated 09-30-14. Smith was suspended (b)(5)(C) per the DS-367.

**INDIVIDUAL/S****REPORT NARRATIVE****ORIGIN:**

On 12/19/14, at about 1250 hours, I responded to the 600 block of S. Melrose Drive to assist Deputy Groves with a subject that had run from her. CAD #

**DEPUTY ACTIONS AND OBSERVATIONS:**

I arrived on scene at about 1250 hours. When I pulled into the parking area I observed Vista Fire Paramedics assisting an unknown white male. The male was later identified as Robert Smith (b)(5)(A)). The Smith was lying face up. Smith had no shirt on and was wearing blue jeans and brown shoes. Deputy Groves was standing above Smith about 5 to 6 feet away. Deputy Groves had her Taser out and I could see the wires from the Taser extending to Smith. I walked to the location and asked Paramedics if the male had been searched. They told me he had not. I searched Smith. In his right front coin pocket I found a small sandwich type bag that contained several smaller bindles. I did not examine the bindles too closely but based on the packaging and appearance I believed them to be Heroin. Also in the pocket were an unloaded syringe and several small light blue pills. The pills were contained in plastic that appeared to be from a cigarette pack. In Smith's left pocket there was a large amount of cash. In his back right pocket there was a red bandana. I collected the items and turned them over to Deputy Groves at the scene. Smith was unconscious almost the entire time I was searching him. He did appear to regain consciousness when the paramedics began to remove the Taser barbs from his back. Smith sat up began yelling and was asking "why."

I took photographs of Smith. I later attached the photos the the report. I had no further interaction with Smith.

**REPORT NARRATIVE****ORIGIN:**

On 12-19-14, at about 1253 hours, Deputy Groves advised she needed emergency traffic and had a taser deployment. I responded Code-3 lights and sirens to her location.

**DEPUTY'S ACTIONS AND OBSERVATIONS:**

I arrived on scene and observed paramedics standing around a white male, later identified as Raymond Smith **(b)(5)(A)**. He was lying on his back on the roadway just north of the CVS store parking lot. I walked up to Deputy Groves and saw her holding a taser. I asked her if she was ok and she said yes. I asked her what had happened. She said the male ran from her. She saw him jump down the curb and then she tased him. I asked her if she needed anything from me, and she responded could I look for the male's identification. She told me his vehicle was the black one parked in front of the store entrance.

I walked to the driver's side and looked inside the vehicle for a wallet. I immediately saw a plastic bindle of what appeared to be a brown substance in the shape of a ball. It was sitting on the center console. I believed this to be heroin. I did not see a wallet or identification card. I looked in the glove box and saw a JAIL BOOKING release form. The form had Smith's name and DOB. I told Deputy Groves what I had found. I switched to inquiry to check Smith's record. They had advised me he had a suspended license and possibly had a misdemeanor or felony warrant out of Oregon.

I gave Deputy Groves the paperwork I had found. I concluded my investigation.

**REPORT NARRATIVE****DEPUTY'S REPORT****ORIGIN:**

On December 19, 2014 at about 1253 hours, Deputy Ellison and I responded to assist Deputy Groves #0059 at the CVS Pharmacy, located at 635 South Melrose Drive in the City of Vista.

**INVESTIGATION:**

Deputy Ellison and I responded from the 600 block of Hacienda (Chevron Gas Station) and arrived on scene at about 1255 hours. I saw Deputy Groves standing in the north parking lot of CVS Pharmacy, adjacent to the shopping center driveway. She was holding her deployed Taser at the edge of the parking lot atop a small embankment leading 3-4 feet down to the driveway. I noticed a white male adult lying in his right side in the lower driveway below where Deputy Groves was standing, about 4-5 feet away. I saw paramedics treating the male. The male was conscious and had open sores all over his arms, an abrasion on his shoulder and one Taser dart in his middle back. Deputy Moyette #7136 was standing by with the Fire Department and Medics while they were treating him. The male was not in handcuffs as he was being treated. The paramedics were attempting to remove a Taser Dart from the male subject's back. The subject was yelling and kicking his feet while the paramedics were trying to remove the dart. The male was then placed on a back board by paramedics and placed in an ambulance. At Deputy Groves' request I took several digital photos of the scene. I later forwarded these photos to Deputy Groves.

I drove to the upper parking lot to assist with the subject's vehicle. I saw the black Ford Taurus parked facing westbound between two stalls. Deputy Groves' patrol car was parked behind the Ford. I stood by to assist and then cleared from the scene.

## Use of Force Supplemental

### Use of Force Supplemental Instructions

**Lines 1 & 3:** Fill in the blanks.

**Line 2:** If the suspect was committing a crime and force was used to stop or apprehend the subject, document the appropriate penal code. If the UOF occurred in the performance of the officer's duties, document the incident description, i.e. officer transport, officer escort, making arrest, detaining suspect, cell extraction etc.

**Primary Reason for Using Force:** Check appropriate box(s).

**Subject Appeared To Be:** Check if applicable.

**Number of Officers on Scene:** List number of officers present.

**Number of Officers Using Force:** List number of officers that used force.

**Level(s) of Resistance Encountered:** Check appropriate box(s).

**L.E. Tool/Technique Used:** Check appropriate box(s). If known and/or applicable, include duration (approximate length of time) tool/technique was used. If known and/or applicable, include the number of contacts (approximate number of strikes, impacts, etc.) when requested on form.

**Was Initial Use of Force Effective?** If initial force used was effective, check "Yes." If initial force used was ineffective and additional force was necessary, check "No."

**Was Additional Control or Force Needed:** If initial force used was ineffective and additional force was necessary, check "Yes." If initial force used was effective, check "No."

**Target Distance:** If applicable (refers primarily to less lethal weapon systems), approximate distance or provide range (i.e. 7-15 feet, 15-20 yards, etc.) from subject during application of force.

**Subject Injured:** Check "Yes" if medically treated for injury sustained as a possible result of force applied by a officer(s) – does not include previous injuries suffered prior to officer contact. Check "No" if subject was not injured or simply complains of injury/pain suffered as a result of force applied by an officer(s) and refuses medical attention. Any complaints of pain shall be documented in the use of force report narrative (whenever any physical force used by a officer results in a complaint of injury or an injury that necessitates medical treatment of a subject, a supervisor will be notified immediately).

**Extent of Treatment:** Check appropriate box. Check none if subject was evaluated and no treatment was required. Specifically, check "Treated at Scene" if subject was treated at scene by EMS for injuries that may have resulted due to force applied by officer(s). Check "Treated at Hospital" if subject was transported to hospital for treatment of injuries that may have been sustained as an apparent result of force applied by officer(s). Check "Hospitalized" if subject was admitted to the Hospital as a result of injuries that were sustained as a result of force applied by officer(s).

**Officer Injured:** Check appropriate box (see above).

**Extent of Treatment:** Check appropriate box. Check none if officer was evaluated and no treatment was required. Specifically, check "Treated at Scene" if officer was treated at scene by EMS for injuries. Check "Treated at Hospital" if officer was transported to hospital for treatment of injuries. Check "Hospitalized" if officer was admitted to the Hospital as a result of injuries.

**Other Force Used/Comments/Equipment Performance:** This section can be used to document other force options not listed on the form; relevant comments about the incident such as complaints of pain/injury (room permitting) and negative/positive comments regarding equipment performance.

**Mark Figure to Indicate Contact Points:** When applicable, mark the areas on the figure where applied force contacted the subject's body.

**Sergeant:** Sign, list ARJIS number and date reviewed.

**Lieutenant:** Sign, list ARJIS number and date reviewed.

**Captain:** Sign, list ARJIS number and date reviewed.
